“ I was deeply saddened to hear of Joanne's passing this morning at our UU church service. I knew Joanne through church and knew her to be warm, bright, kind, and caring. I send my deepest condolences for your loss. I know she will be missed and mourned for a long time to come. A bright light has truly gone out.

“ We were surprised and saddened to hear of Joanne's passing. We knew her from the UU church here in Florida. She was a regular member of our church lunch group. We had already missed her when she left to be near family and had hoped that she would be with you for a much longer time. She was easy to talk to and also taught us how to cheat at Freecell.

“ Joanne was one of my first friends when I came to the UU Fellowship in Florida. I appreciated her welcome and always enjoyed talking with her. We found we had so much in agreement! I've missed her since she moved to Georgia.

“ It is with great sadness that I heard about the death of our friend, Joanne. She was a member of the Unitarian Universalist Fellowship, where I have been since the '70s. She was in the choir and always ready to help when needed. She was also involved with some of the Democratic politics in our area and if you know about those here you will know that we miss her there, too. Please know that she made a difference here and is missed, even now.
