“ My Mom, Enrica Natoli, was Arthur's godmother....I remember staying with the kids when Mary was having her children. We always enjoyed all of you....Your Dad and Mom were very special. I was never fearful having my teeth drilled because your Dad always was humming and singing...I knew Linda was in our area, Saratoga County, we should get in touch....So very sorry about John and your Dad..

“ Please accept my deepest condolences. Although John worked for me for only a few years, I will always remember his ability to recall different situations in accounts payable. He knew more about it than anyone else. He helped me a great deal. I called me several weeks ago I will miss those conversations. May God Bless your family at this difficult time.

“ I am so very sorry to hear about John! We worked together in Accounts Payable at the college for almost 10 years and he was excellent at his job. He had a very kind heart and always spoke very fondly of his family. Please accept my deepest sympathy during this difficult time.

“ Sorry to learn of John's passing. My condolences to all of the family. I recall the first time I walked into ESF's Purchasing in the late 90's to resolve an issue, and discovered another CHS alumnus would efficiently handle things! Made the world seem a bit smaller and friendlier.
