“ Johnny was a most welcoming person - always greeting us with a warm smile and handshake at church! We will always have fond memories of Johnny as he got Steve's Dad, Wilbur, a seat playing in the Old Timers Band, after Steve's dad moved here from Michigan. Wilbur played the clarinet in the Ann Arbor Civic Band for about 50 years and that was one thing he was really going to miss. We were truly grateful for Johnny!

Much love to you, Mary, and your family,
Steve and Theresa DeHart

“ Mary and family, my thoughts and prayers are with you and Johnny will be tremendously missed. I remember watching my Dad, Frank Biviano, and Johnny playing in the Old Timers Band. Johnny had so many great stories about the old days and I always enjoyed listening to them. He always put a smile on our face and made us laugh.

Love to all.

“ Mary and family, Johnny will certainly be missed. He was a very nice man. He always had a smile and a friendly handshake. I can remember a few years ago I was out for a walk and I met Johnny in front of his house and he invited me into his house and gave me a tour of their lovely home. He was always recounting stories of when he and my father were younger. He always put a smile on my face.

“ Johnny's enthusiasm for life, his love for his family, and his ability to keep a steady beat with the Band... and countless other gifts... Rest In Peace, dear John. You gave 110% and we are the better for it.

“ A iconic man, who even in his later years conveyed love to so many, myself included. These past few days have shown how many he touched in a sheerly positive way over his 95 years. Never was he malicious toward anyone (expect for riling up my father or Mimi haha), and had a spirit of gold and optimistic exuberance.

“ When I found out about the passing of Johnny I had a flashback too the late 1960 when Myself and about five other Coca-Cola drivers would stop at Johnny's on Rt-281 for breakfast before going to Ithaca. We always had great times with Johnny and his workers.

R.I.P you had a great life and touched the hearts of a lot of people. Richard Bushnell

“ Johnny and Mary Stephens were among my parents most cherished friends.

Johnny always had a civil war story, an anecdote about football, or some story from the Old Timer's Band.

He played next to my father, Frank Biviano, for many years in that band -- Johnny on the bass drum and Dad on the snare drum.

Many a story I had of Dad talking to Johnny about "keeping a beat".

Truly, I will miss this sensational man - a true treasure of my life as a child and growing up as an adult! Many holidays were spent stopping by Johnny & Mary's on Port Watson for a glass of sambuca or amaretto. Always a welcome household -- always cherished our times together as friends.

We shall miss him greatly and while I had a tear or two at his passing, I'll always have such fond memories of the times Frank & Josephine Biviano and Johnny & Mary Stevens got together. Many, many, many laughs ;-)

“ Nina, I remember the first time I met you when you were maybe 3 or 4 years old. Your grandfather was SO proud of you! He just couldn't stop doting on you the entire time we were at their home. Please give Mary and your Mom a hug for me!

“ Whenever the Cortland Old Timers Band plays "Caderna" from now on, I will always think of Johnny singing it on the DVD, and playing it on St. Anthony's Day inside the church. Johnny was, and will forever be, in our musical hearts. May he rest in peace. Condolences to his family on such a huge loss.
