“ To all you Clarke children:
I just found out about your Mom's passing. I had the incredible honor of caring for your Dad for over a year through home care, and got to know not only him and your Mom, but most of you, too. Philip and Mah-tha were amazing people and amazing parents. And what a relationship they had! I am blessed to have known each and every one of you. My heart is with you and you are in my prayers.
With love,
Nancy Pearce

“ What a keen sense of humor and sharp wit she had. Always a consummate scrabble player. Time and time again the letter Q (or other special letters) ended up on the triple point square. I remember a time when she was rattled. She called out in a quavering voice and I could tell it meant to hurry. There she was trying to avert disaster, a storm window was threatening to fall and she was holding on dearly. I sped up the stairs and averted the calamity. Martha was usually calm and steady (independent also) but this time it was whew! I picture Philip and Martha on the front porch looking out upon Evergreen Street (also reading Phil's letter to the editor). It takes time to adjust to these changes they a both missed. My sincerest condolences.

“ Sincere condolences for the loss of your mom Marty. Marty was a gentle soul who was always a pleasure to be around. My mother and Marty were great friends and always enjoyed their time together when playing cards. I know your parents and mine became great friends when they purchased Karam's Department Store in 1963. This is a difficult time for your family and I share with you in your pain in this bittersweet life we all experience at some time.
God Bless Marty for all she endured in this life and for all she accomplished. She truly left a wonderful legacy and no doubt was very proud of her family. Please know you are in my thoughts and that I wish you Peace, Love, Understanding and the Comfort of Fond Memories.
May she Rest in Peace!

“ To the Clarke Family,
So sorry to learn of your Mom's passing. She was so kind to my Mom and they were penpals for many years even though they lived in the same town. Please know you are in our thoughts and prayers.

“ Sorry to hear about your mom she was a great lady. I remember staying the night at the Clarke House and in the morning your mom would make pancakes and beat them so they were thin because Dick liked them that way.

“ Milo, glen, ted, rich, Mary and families. I'm very sorry for your loss. Your mom and dad were the best. Your family is the best. Our moms stayed in touch a lot and your mom often wrote or called my dad. I remember when I was 6 or 7 and Phil was in front of your house blowing giant bubbles with bubble gum. He made one the size of a basketball and I being a kid had to touch it which caused it to pop and cover his whole face, beard and hair. I was mortified but also thought it was funny. Phil was shocked but also thought it funny. Your mom was nearby and graciously blamed Phil for the mess saying " you should have known better than to let him touch it " you are all in my prayers.
