“ I am very sad to hear of Mike's passing. He is gone way too soon. You couldn't ask for a nicer, more compassionate person than Mike. Even though we were only acquainted for a couple of years, he was a good friend. God bless you Mike and your young family.

“ The best sort of friend anyone could ask for, Mike never seemed to be a person with hate in his heart. I cherish all of the good times we had growing up and wish we had time for much more. Something to look forward to when we cross over.
