“ I was heart broken to hear of Duffy's passing. I met Patrick in college, at Cortland. I worked at Greek Peak - we had some fun times at the condo. We lost touch after he enlisted and I graduated. I always felt he was an old soul: kind, respectful and always good for lots of laughter. He carried around his hunk of burning love vibe at C-state where ever he went, a little pun for Pat. My roommates and I always got a kick out of his impersonations. Those who had a chance to know you, truly miss him. He was a dedicated athlete and I vividly remember saying this to him. No, I'm not going running with you at 6 am, I'm in college and hung over by then. Run fast, fly high & dance with Elvis, Duffy. Sending love, light and healing hearts to your family. “ Our prayers and condolences to the Duffy family.

In your hands, O Lord,
we humbly entrust our brothers and sisters.

In this life you embraced them with your tender love; deliver them now from every evil
and bid them eternal rest.

The old order has passed away:
welcome them into paradise,
where there will be no sorrow, no weeping or pain, but fullness of peace and joy
with your Son and the Holy Spirit
forever and ever.

"...Well done, Be thou at peace."

“ We were so sorry to hear about Pats passing. As former neighbors on Morningside Drive we fondly recall seeing Pat jogging through the neighborhood to stay in shape. He was a polite young man from an outstanding family. We missed his dad when he passed and will think fondly of Patrick as well.

You are all in our thoughts and prayers,

“ We will always remember that handsome Pat as the mature (beyond years) stand-out gentleman among the "rowdies" at West Point. Loved all the guys, but Pat had a special quality that couldn't escape notice. We fondly remember Pat's mom as such a dear lady. Genetics were apparent in the in the two. We were so sad to learn the news of his passing. The world needs more like Pat. Our condolences to the entire family. Our hearts go out to you at this difficult time.

“ The Lord is my shepherd, I lack nothing.
He makes me lie down in green pastures,
he leads me beside quiet waters,
he refreshes my soul.
He guides me along the right paths
for his name's sake.
Even though I walk
through the darkest valley,
I will fear no evil,
for you are with me;
your rod and your staff,
they comfort me.

You prepare a table before me
in the presence of my enemies.
You anoint my head with oil;
my cup overflows.
Surely your goodness and love will follow me
all the days of my life,
and I will dwell in the house of the Lord
forever.

God bless you Pat. You are in a better place. Deepest Condolences to the Duffy Family.

“ My regret is that I didn't stay in touch. Patrick was my manager at NB+C in 2003 when he came on board. He was up to the challenge and being a hockey player/fan he could take a hit. I love you Duffy....you will be missed

“ Once a Golden Eagle always a Golden Eagle. Not sure if you inspired me to attend West Point but if you did not, your exemplary character and accepting easy going style certainly fostered my own personal way to a career of service. It's clear how much you meant to so many. I'm glad I had the honor of being your teammate and more importantly your friend. You leave behind a legacy in your family and friends that will leave you never forgotten. As Soldiers always do "Never Leave a fallen comrade behind". You have left greatness to your sons and family. Be thou at peace.

“ I played Babe Ruth Baseball with Pat on the First National Team. I was one of the younger players and he was one of the tenured players. He was always willing to teach and lead by example, a class individual.

“ Pat was one of the nicest guys in HS. I was two years younger than him and I remember being at my first semi-formal dance...I was feeling a little self-conscious because my dress was very “flowery” and not quite as “grown up” as some of the other girls. Somehow he found out I was feeling uncomfortable and he walked over to me and told me that I was “breathtaking”. I didn’t know him very well.... but I remember thinking he was such a gentleman . My thoughts and prayers are with his family.

Angela (Salce) Conway - June 19, 2018 at 12:04 PM

“ Super condolences. I remember Pat as a student at St. Mary's and Corland HS with my sons. I also remember him as a hockey player on their teams. He was always well respected and very respectful. A young man who was fun to be with and a friend to all.

“ I'm so hurt by the loss of my best friend since middle school. We have shared so many memories over the years. Lacrosse, Football, playing pool in the basement, watching comedies (especially Strange Brew), listening to countless hours of Elvis, just to name a few. Pat was another brother to me.
He has such a beautiful family and my heart goes out to them. It was an absolute honor an pleasure to grow up with Pat (Duff). You will always be remembered and missed.

“ Words cannot express how deeply saddened I am by Pat’s passing. He was my very best friend at West Point. I went through my share of trials and tribulations during my time at West Point, but he was always there to support, way above and beyond the call of duty. I don’t know that I would have even graduated without his support.

I cannot think of my West Point years without thinking of Duff. He had such a great sense of humor. I still laugh about his impersonations of Staff Sergeant Landrum at the Prep School! Every time I hear an Elvis song or watch a John Candy movie, especially ‘Planes, Trains and Automobiles’, I always think of Duff. His sense of humor and tremendously good nature made some trying times so much more bearable.

I’ll also never forget my first Thanksgiving away from home. Pat’s family welcomed me with open arms and truly demonstrated amazing New York hospitality to a young Texan far from home. I’ll never forget my introduction to ‘hot’ tea from Pat’s Mom and Pat introducing me to minor league hockey!

God used Pat at a pivotal time in my life, and I will forever be grateful for his friendship. I am praying for the comfort for all of his dear family in this tremendously difficult time.

I miss my friend.

“ Hard to believe you made it to heaven already. This is the one competition you didn’t want to win. I’ll miss the good conversations and all the great laughs. The early A-Bay days were awesome! So many great memories that bring a huge smile and chuckle to me. Give our family there a big hug for me and I’ll see you on the other side. RIP Pat, you’ll be dearly missed but the countless wonderful memories will live on.

Love,
Pete
