

Mr. Philip A. Cinquanti

November 23, 1934 - August 8, 2020

Philip A. Cinquanti, 85, of Cortlandville, passed away Saturday August 8, 2020 at his home. He was born November 23, 1934 in Cortland, the son of Rosini and Olivia (Camillo) Cinquanti. He was a lifelong resident of Cortland.

Philip attended St. Mary's Parochial School and graduated from Cortland High School, class of 1952. He enjoyed sports and lettered in football, wrestling and track and was co-captain of the 1951 football and wrestling teams. He was nominated to the 1951 High School All American Football Team. Philip faithfully served his country during the Korean War in the U.S. Navy. He was honorably discharged in November 1955 with the rank of Petty Officer second class.

In addition to being his seventeenth birthday, November 23, 1951 was one of the two most significant dates in his life. It was his first date with Sharon Sue Hollenbeck who would become the love of his life. They were seniors at CHS and the connection was immediate. It didn't take a second date. They married in 1955 and enjoyed nearly fifty years of loving devotion and friendship until he lost her to ALS in 2004. And now the eternal reunion commences. The second most significant date in his life was August 25, 1956, the birth of his beloved daughter Kim Ann. He loved her dearly and was always proud to be her dad.

Philip was employed as a Journeyman Meat Cutter for Loblaw's and Grand Union grocery stores and as a salesman for Metropolitan Life Insurance until 1966 when he received his appointment as a Trooper in the New York State Police. During one assignment with the state police he served as a counselor and instructor at the NY State Police Academy training new troopers. He was promoted to Sergeant in 1972 and was the Station Commander of the Cortland station for several years until his appointment to the Bureau of Criminal Investigation. He served in troops K,D,C,F and the academy. In 1978 he was appointed the 17th Chief of Police of the city of Cortland. His career as chief spanned nearly nineteen years, and upon his retirement in 1997 he was the longest serving Chief of Police in the department's 100 year history, a milestone he was very proud of. In 1985 he was the co-recipient of the first SUNY Cortland College Community Service Award for

his leadership in forging a close working relationship between the college and the city.

Philip was a retired member of the NY State Association of Chiefs of Police ,the Central NY Association of Chiefs of Police, the Retired Police Association of NY, the NY state Former Trooper's Association and former member of the International Association of Chief's of Police. He was a past member of the Cortland Rotary Club and the Salvation Army Board of Directors, a life member of the Cortland Elk's Lodge and a life member and past commander of the Cortland VFW. He was a communicant of St. Mary's Roman Catholic Church and had served on the parish council and as a Eucharistic Minister and Lector.

“ Sincere sorrow at the loss of a great friend. On 6/29/70, I entered the NYSP Academy, as is the standard, alphabetically the early part of the counselor cadre drew the beginning of the alphabetical recruits, thus Phil was the first to mentor and guide me through my training. His eye contact, and sincere demeanor kept me focused in those early days. He had a greatness about him as revealed by the testimonies I have read. As indicated by others, we had hoped to meet this year for our 50th reunion. That meeting sadly did not occur. The date of that meeting will be determined.....until then thank you, you will not be forgotten.

“ Kim, we send our condolences to you and your family. Your Dad was a special person who was thoughtful, caring, and of high integrity with a smile that brightened any room. He was so kind to my Dad, Joe in his final years and visited him often. He had recently been the patriarch of our branch of the Cinquanti family and will certainly be missed. Rest in peace Phil, you were an exceptionally good man.

“ My most sincere condolences to your family.

Phil and I were state police academy classmates in 1966 and in 1970 were privileged to serve together again as counselors for the 119th and 120th Sessions of the Basic School at the newly opened New York State Police Academy.

Phil was a "Troopers' Trooper" and I recall the loss I felt when he resigned from the state police to become the Cortland Police Chief. Our loss was Cortland's gain.

Earlier this year the 119th and 120th Sessions were attempting to locate classmates and counselors for their 50th reunion. As a result I had the pleasure of having an extended phone conversation with Phil - it was as though we had spoken only yesterday.

Again, my condolences for your loss.

“ As a bar owner, city councilor and city clerk I interacted with the Chief often. Once we were invited to a meeting at the college on town gown relations. We walked into the room and there were almost thirty college higher ups. He looked at me and we both realized that nothing was going to be accomplished that day. He was a great chief, very fair, prioritized the needs and the safety of the city and its residents. Phil Cinquanti was a pros pro.
