“ Papa ~ It's been 2 weeks since you left me and went home to the Lord and the pain has not gotten any easier. I miss you so much!!!! We may have had our differences in the past and you may have not agreed with everything that I have done in my life but in my heart I always new that you cared and loved me. I never got the chance to tell you how much it meant to me that after 20 + years you finally accepted my husband into our family...for that papa I will be forever grateful.

Since you wanted your one and only great granddaughter to have your car I know that everyday when she gets behind that wheel you are right there beside her. Please papa keep her safe.

Niani misses you more then you can ever imagine as does everyone else but we all know that we have a beautiful guardian angel by our side.

REST IN PEACE my grandfather and until we meet again I will miss you more then you will ever know and love you forever.....love always Missy
