“ Dear Moffitt Family,

There are no words to describe what Ann meant to our family. She cared for our children as if they were her own grandchildren. She lovingly took care of them each day, no matter how grumpy or sick they were! Their birthdays and Christmas were filled with gifts. Your entire family adopted our children!

Ann was one in a million. There were even days I arrived after work, only find that Ann had cooked dinner for our family! She treated our family like we were her family.

Aunt Dee and Albert Franklin(as Colleen used to call Al) have welcomed another angel.

Thank you, Laurie, Susan and Michael for sharing your mom with our family.

Love, Peg Fritton and Bob Gardner
