“ Mrs. Duffy was my 1st grade teacher at Smith School, and she was always my favorite teacher. A few years after I graduated high school and joined the military my parents had a going away party for me before I shipped to basic training and they invited her. It was such a delight to have her there and I was so happy to see her at St. Mary's and for her to be able to meet some of my kids. She had such a positive influence on me and I will always remember her fondly. One specific memory that sticks out is when it was someone's birthday they got a frog birthday card signed by the class. Mrs. Duffy knew I collected pigs and I had a summer birthday, so at the end of the school year she got a special pig card for me and had all my classmates sign it. Just that little thing meant so much to me. She was truly and amazing woman and will be greatly missed. My condolences to the family and my prayer for you all.

“ I. Am saddened to hear of Barb's. Passing. She and I were classmates at UFA and I saw her at our 60th reunion in 2016. I moved to Sackets Harbor, NY after I was married but our mutual friend Helene Cushman Sand would often tell me about her. I was so happy to see her at Helene's memorial service in 2021. Barb was such a sweet person. My condolences to Frank and all the family. I am sure she is flying with the angels! ❤️🙏
