“ *Sandy, Cherri, And Bobby, I was so sorry to hear about Charley's passing. I know there are no words that can take away the sorrow and loss. We try to say the right thing, but there is no right thing to say. Just know that I am thinking of you and praying for you. The memories will come and you will have a tear but also a laugh as your remember different things about him. God bless you all!!*

“ Sandy, Bobby & Family, You all have my very deepest sympathies and condolences on Charlie's passing...I read it through the obits out here in Depew, which is about 20 mins. east of Buffalo...I always liked Charlie and thought highly of him, he was a good man and he will be missed by many...I wished I was still living in the area so I could stop and pay my respects to you all, but I am close to 2 and half hours away now and getting back there is tough, I have not been back home in over 4 years now...You all have my email address, please do not hesitate to reach out to me if there is anything I can do for any of you...Be well always, and try to keep above all of this by knowing that Charlie is with God now and he is in good hands...My prayers are with you all during these very hard and trying times...Be well and God bless each of you !!
