“ I am sad to hear of Charlotte's passing. I sang in the choir with her at St. Mary's Church, she was a lovely woman! May she rest in peace.

“ A special friend for decades. We shared so many special times, good and bad. We spoke every day for years and enjoyed many shopping trips, movies as well as lunches and dinners. When she moved we would visit her homes in Syracuse and Liverpool or back in Cortland. Later we meet with Bob and her in Fayetteville for dinner and hours of conversation. Left behind we are heart broken but it helps to think of her in Heaven with Bob and her parents and free of pain. My heart goes out to all those who loved her, especially her son and daughter.

“ Dear Laura, Jimmy, and families,

My deepest sympathy to all of you on the loss of your mother. Char became my neighbor in 2005, but despite only living next door to me for five years, we quickly became friends, and continued to see each other and stay in touch for the past 18 years. I will cherish the many visits and lunches that we shared over the years. Some people come into our lives, and quietly leave, while others, like Char, leave an imprint on your heart.
