

## Mr. Christopher Montalvo

November 27, 1978 - May 27, 2021

Christopher “Cookie” Montalvo (42) passed away peacefully in the loving care of his family on May 27, 2021 after an extended illness. Cookie was predeceased by his father, Santos Montalvo. He is survived by his mother, Nelida Montalvo; brothers, Steven and Angel Montalvo; nephews, Steven Jr. and Michael Antonio and his devoted family caregivers, Adeline Montalvo and Suzannenid Quinones and children. Cookie is also survived by a large extended family and friends spanning coast to coast and his beloved homeland of Puerto Rico.

Cookie was born on November 27th, 1978 in Brooklyn, NY. Cookie was a vibrant and loving soul, he adored helping others among all else. He loved being with his many nephews, nieces, god children and cousins. Cookie’s spirit animal was a panther and as such he was protective of those he loved, and gorgeously sleek in his human form. He worked hard, played hard, traveled frequently to sunny destinations, and was a natural-born adventurer. He was a man who lived fully, cherished maintaining a fine home and a fancy car. If you were lucky enough to be in his orbit, you were likely treated to a delicious meal of exquisitely prepared traditional Puerto Rican food. Godspeed Cookie, shake heaven with your joyous arrival and reunion with our dearly departed. Watch over us, as we celebrate your life and everything you lived for. You will be missed beyond measure. Fly high love.
