“ May God Bless you in this time of sorrow. We have Dan and each of you in our prays. We cherish those many memories of Dan and are lucky to have known him. He had a heart of gold and is a fine example what a good man is suppose to be. His memory brings us joy, remembering and sharing time watching the kids grow into fine young men. His encouragement and sacrifices for the kids have made this world a better place. The positive influences on the kids will continue to reap positive results as they live up to his example. He is in Heaven now and will continue to enjoy watching the boys play from the upper deck. Jill, There are not words that can express the sadness that we feel in Dan's passing. We hope the many wonderful times you shared with Dan will help you find peace. Our thoughts and prayers are with you, Danny, and the rest of your family. Danny, Your father left us early. Take his memory and the example he set for you to heart as he truly left you with what it means to be a father. When you become a father remember the standard he has set for you. You made him very happy by being his son. You will someday understand the joy this will bring you. God Bless!
