“ So sorry to hear of Dannys passing. I always knew him as Sparky. I actually hadn't seen him in many years but we had a lot of good times together in Preble NY at the Sauerkraut plant amongst other places. He helped me get ,my motorcycle license back in the early 80's. A great guy.. My condolences to his family and friends. It's comforting to know he's back with Melody his wonderful wife whom I had the pleasure of knowing as well. Rest in peace buddy.
