“ I can still see Denis walking across the tracks, with his lunch pail, heading to work. The Kissane's have been my neighbors/friends for my entire life. We grew up on a wonderful street where everyone took care of each other. Breda if you ever need anything Dan and I are just a block away. Thank you Dennis for being there when my parents were aging (mowing the lawn, snow blowing the driveway, or just checking in on them. We were blessed to have you as our neighbor and you truly will be missed. Love Theresa
