“ To the entire Newcomb Family.

Having your entire family across the Street for the past 57 years has always been such a blessing to this neighborhood. I have so many fond memories of both your parents as I grew from a toddler to today. I always knew that I would be greeted everyday by your mom with a wave and smile, or a good only chat fest on the front porch. As she so often enjoyed her time relaxing and watching the many folks who walked our side walks everyday. She was a very beautiful soul who loved live but more than anything else loved her family. She would always buy up with the brightest smile when she share one of her many stories of her boys and her grandkids. I don't think there's many people who can say they've had the same neighbors since they were three years old when they are now in their 60s. Thank Jason and Jarrod for sharing your mom with us all. I am going to miss her more than words can say my thoughts and prayers are with you all. Rest in peace Denise Godspeed.
