“ My condolences to Donna's loved ones: what a lovely person she was even as the girl I played with when we all lived on the same street. Remember the pocka dot skirt? My thoughts are with you; I expect Donna is at peace now.

“ I knew Donna when I worked at SUNY Cortland from 1970-1975. She was such a nice person & so much fun. One time we went to a well known hairdresser in Syracuse to get our straight long hair cut & styled. I still have the before & after pictures. My husband & I just moved back to the area and coincidentally yesterday morning I decided to look her up and discovered her obituary. So very sad I didn't get to see her again. May she Rest In Peace.
