“ Dear Charlie, I was sad to read that Helen had passed away. She was my mom's best friend and my godmother. After my mom passed away we kept in touch with each other at Christmas time and my dad told me that she would stop by his house once in a while just to chat with him. Maureen StackHartley

“ I will miss my friend & long time neighbor. Helen was always of a positive mindset. I especially enjoyed our conversations about her very large and stately oak tree that both her & Ted administered a great amount of TLC...they treated it like a member of the family 🌳

We at St. Mary's will forever be thankful for Helen's generosity & love of the church's beautiful stained glass windows.

May the peace 🕊 of the good Lord grant Helen & Ted eternal rest
