“ I have vivid memories of the wonderful times we shared together as neighbors during my childhood. Our parents were devoted to one another and we were like one big happy family. My greatest honor was being Godmother to Laura (our angel). I never forgot any-one of you especially Rina, because she always teased me about a number of things , (not saying) . These memories will live in my heart forever. May she be enjoying her reunion with her loved ones in heaven. Rina, R.I.P. Adalene, Ceil, Jean and Chuck please accept our heartfelt condolences for your loss. Gene & Josephine Mironti

“ We wish to express our most sincere condolences to the entire family. Irene was very special and we will miss her. It was a very difficult decision not to attend the funeral but we, we like so many others are trying to be very careful not to contract Covid-19. I hope you understand. I am so happy that I had a chance to visit with her just a few days before Christmas. We stood in the doorway and chatted for just a few minutes. So many fond memories.
