“ How do I say good bye to one of my dearest friends. We have known each other for over 30 years and have held a special bond that not many get to share; I am grateful for our friendship and I will miss catching up with you all the time and our special silver ball tradition. My heart is broken, you had so much more life to live. Rest easy my friend, I will see you on the other side. And I will keep in touch with Matthew ❤️
