“ Mrs.Fagnoli was my favorite teacher in the world. She was my 3rd grade teacher in the Campus School. We had a running joke that whenever I would see her,no matter where we were, Cortland or even in the Capital District, I would shout there's my 3rd grade teacher. If she can't be here with us what better place to be than with our Lord probably teaching and playing with all the heavenly children

“ I feel so lucky that I was able to visit with Jeanne, Robert, Robbin and Dan a few years back when they were vacationing on Cape Cod. We had a nice dinner and chuckled as we attempted to play "corn hole". The closeness and love of this beautiful family shone through. And those radiating sweet smiles will always be remembered. Sending love and prayers. Valerie Viola

Our very deepest sympathy goes out to Tex and the family. She was one of our favorite people, always with a ready smile and encouraging words. She was special. And a classmate of the class of '52.

May God rest her and may he be with the family.
