“ No matter what the day, your Dad always greeted me with “hi Kimmy”. He always had something positive to say or something funny up his sleeve. I am so grateful for the time I had to know him. Becky, you have a ‘one of a kind’ Dad who will remain forever in your thoughts and heart. I will always remember his voice and I will also keep him close by my thoughts and heart as well. Thinking of you all.

“ Carol, Becky, Corena, Monica, Vince...I really don't think I have words to express my love and gratitude for the whole entire family. Joe was so kind and gentle. Such a sweet man. I know him and my dad had fun working on their cars and at microds AND drinking the home wine:) Your whole family, how they were there in heart beat when my dad passed and then when my mom passed. Just put your life on hold to be there for all of us. We love you all more than you can imagine. Thank you from the Pavente Kids and their families. You are all a blessing to us and we will miss Joe immensely but we have our memories that will never disappear.
