“ What a wonderful women. One of my fondest memories was back in our high school days and even after high school a bunch of us were friends of Colleen and Denise. She would have us over for homemade pizza at 1 or 2 in the morning and greet us all with open arms. She would just sit and listen and laugh about all the dumb things we did. RIP Julia.

“ *We send you our heartfelt condolences and kindest thoughts during your difficult time. Death leaves heartaches no one can heal, love leaves a memory no one can steal. Julie's love for you all will sustain and live in your hearts forever. Grief is the price we pay for love.
