“ We just received a email from ACP of Karen's passing. Karen and I connected prior to our 1st year at ACP looking for a roommate. She from RS, I was from Herkimer. I remember looking at apartments with her and her dad. Back then, there were no dorms. Luckily, we found a decent one. She was a special friend to many and will be missed by those who knew her. So sorry for your loss, may she rest in peace. Terri Green Garcia ACP 83

“ I met Karen when we were both members of David Beale's art class. Her paintings were always very expressive and seemed oriental at times. She was generous with her praise and encouragement for a less accomplished artist. She will be missed!
