“ We can never forget her smile, her laugh, the beautiful person Kathleen was...inside & out. We so enjoyed her visits at my mother's house. The kids loved it when she came for her telephone company parties. We love you all. You are special and we are blessed to be family. Love and prayers, we have another angel watching over us.

“ Thanks for looking out for my Mom & your great sense of humor. Thanks for all the trips to miniature golf and A&W rootbeer. You could have been a standup comedian. I will miss talking to you on the phone. You are a great lady. Love Frank.
