“ Kay was a very good friend to me in Florida. I played a lot of poker with her over the years in Florida. I considered her a very close friend and I will miss her a lot. My thoughts and prayers are with the family and friends at this time, love Harold and Carol Heiden

“ Kay has been a life long friend and sister to me. When people would ask if we were sisters we always said yes and Kat would always say I was the older one. In the worst of times we could always make each other laugh and in the best of times we only needed to mention our hot dog trip and I'll bet her and Jinks are laughing again right now. When we traveled we somehow always managed to get lost or chased (Atlantic City) She will be sorely missed but always in my heart! Love you Kayly

“ I worked with Kay for many years. She was a friend and confidant to me. I called her my second "mom" as my mom had passed and Kay always gave me good advice. She will be sorely missed. Rip and say hello to Phil.
