“ I am deeply sorry to hear of Lou Anne's passing. A mother holds her child hands for a while but her heart forever. I do not know who wrote this but it is certainly true. Lou Anne was a good friend that I had the pleasure to know while riding to work at Magnavox in her car named (Shehasta) Lou Anne explained the name meant that her car (Shehasta) has to have this and has to have that. I'll always remember working with Lou Anne at her family's restaurant with Mrs. Ladd and Lori too. Thanks for the giggles Lou Anne. Wishing you comfort in friendship, call anytime. Kathy

“ Sarah and extended Ladd family, I have plenty of memories working at Phillips with Lou Anne. She was always into practical jokes. We rode to and from work together for years. We would laugh so hard we would end of crying. I'm so sorry she has gone so soon. She is now in heaven cutting up I just hope she doesn't get thrown out. Danita
