“ *Worked with Lyle at P&C back from '95 till about 1999, and would stop and talk to him every time I went in after for several minutes each time making a 10 minute shopping trip last 30minutes easy. Such a funny dude and interesting individual. Def one of the brighter characters that one would be lucky to meet. Nobody ever parted ways with Lyle without a smile or laugh.*

*Very sorry to hear of his passing...
May he Rest In Peace

“ *The world will be a much lonelier place without Lyle and his jokes he always used to tell when I would see him at P&C... He was a sweetheart of a guy and was almost always smiling... To the Gadley Family, you have my very deepest sympathies and condolences with your tragic loss of Lyle... Try to take some solace that his battles are over and he is in a much better place... He has to be, men like him are truly heaven sent to bless us all with their lives become a part of ours ... God bless ..*
