“ To the family of Mrs. B,
My daughter was a student at Cortland University and lived next to Mrs. B. for 2+ years.

My daughter & her roommate adored her and they called her Mrs. B.

Shortly after she moved in, I had the opportunity to meet Marcia. What a wonderful woman. She was warm and kind and I enjoyed the time we spent chatting. It was helpful knowing she was keeping an eye on the girls.

When Mrs. B. was away, my daughter would take care of her cat and enjoy in person visits of the cat to her apt.

I also remember a beautiful May day when the back yard of Marcia's home was a wonderland of beautiful wild flowers that looked like a place in Heaven.

I have no doubt she is in Heaven with her Savior and wearing a crown with many jewels representing her good works for The Lord on Earth.

I wish each of her family PEACE & COMFORT from the Holy Spirit. Mrs. B, you will be missed.

Thank you for being a bright LIGHT in the life of two young college students right next door. ❤️

“ Condolences to Marcia's family. Mrs. Bulger was the teacher my sons had for their GED classes, helping them succeed in subjects they struggled with for years. I've never seen a teacher fight for her students as much as Marcia did. Rest in peace. ❤️

“ I am so sorry to hear about the loss of Marcia Bulger, my condolences to the family. I was honored to know her from Boces McEvoy Center as my GED teacher. I accomplished that goal with many others because of her teaching me. I also worked with her at Wickwire pool doing swimming lessons. I am very grateful to have known her and will always be proud to call her my friend. Brenda Marks/ Golden

“ Condolences to the Bulger family.
My wife Linda had gotten to know Marcia quite well helping her with financial questions over the past many years. Myself your mom and dad were long time customers of mine with the Post Standard newspaper. Later in the years I spent in city office I would see her at the fire department and have wonderful talks with her.
Linda took joy not only with helping her but just talking with her.
Our hearts have been sadden greatly by her passing, but know the memories you have will not only last a lifetime but will bring smiles.
Again our deepest Condolences.

“ *Marcia, you were a bright light in the lives of many!!!!
I met Marcia after joining the St. Mary's Church Choir. Her
outstretched hands were a constant reminder of the love she had
for all!
My fondest memories of Marcia always laughing and joking around.
Marcia started a very fond memory of always going to The Big F
(Friendly's) after ever choir rehearsal.
You are in Heaven now, Marcia, laughing with our Lord! Thanks for
the memories!!!*
