“ We are all so sorry for your loss. Maurice was a good friend and neighbor to us. He was very proud of his family and talked of you all the time. He also shared many memories and stories from his childhood with us. We will miss him very much and will think of him often.

“ I will remember your Dad as a kind and gentle person, and a good and faithful friend to my father Dave Lundeen. He often stopped to keep him company after my Mom entered a care facility, and was there as a quiet and caring presence during my Dad's final illness. My condolences to you and your families.
