“ We already miss you a ton Grandma. It's been a difficult week and like all your friends and family, we are devastated. We're grateful for a lifetime of memories, and especially your teachings and spirituality. You've had a profound effect on all who knew you, and the legacy you leave behind through your children, your grandchildren, and now your great grandchildren is a lasting one that will endure for generations to come. Our little girls go to church weekly, they eat lots of homemade pizza and pasta (!), and are learning to follow the amazing work ethic you established as an immigrant to the United States and continued to demonstrate your entire life. As difficult as these moments can be, it brings us great comfort knowing you lived a truly amazing life and have been such an inspiration to so many. We know you are at peace in heaven and watching over us now, deservedly so. We appreciate the great care Aunt Ata provided to you. We love you and miss you.

“ Ata... what a beautiful picture of your Mom. It is never easy losing someone we love no matter how prepared we think we might or ought to be. May you feel God's comfort in the days, months, and years ahead.

“ Ata, Ugo, and Family, I am so sorry for the loss of your Dear Mom/Grandmother/Great Grandmother. Nicolina was a blessing to all who knew her. It was so wonderful to celebrate her 100th Birthday, even though it had to be "Covid-style." Keeping our distance outside, we were able to sing Happy Birthday to a gleaming, beautiful 100 year old lady. What an awesome milestone for Nicolina to reach, thanks to the wonderful, dedicated care of her precious daughter Ata.
