

Mr. Peter Contento

July 26, 1946 - April 2, 2021

Peter Contento, 74 yrs. old passed away on Good Friday, 4/2/2021 surrounded by his family at home. Peter loved his family and cherished their time spent together gathered around the table eating, talking, laughing, telling stories, and playing cards. There was always room at the Contento Table for family and friends.

Peter was a true “Dog Whisperer” who bred and raised many dogs throughout his life. His first Springer Spaniel- Gabilan of Lake Como or “Gabby” won many ribbons at the Field Trials they attended. He owned and hunted with German Wire Haired Pointers and trained his Wire Haired Dachshund; “Jack” to track and find deer. Jack and Pete were inseparable.

Peter lived life to the fullest. He was an exceptional craftsman and avid outdoorsman. He enjoyed hunting, fishing, gardening, golfing, and time spent with his family at “The Point”. He was always ready for an adventure be it in his backyard, on local waterways, on Sanibell Island, or in Alaskan waters.

His career spanned 30+ years at Homer Senior High School where he was a Global Studies Teacher and so much more. During his tenure he taught and nurtured countless students and advocated for teachers by being Department Chair and HTA President. He also started a lacrosse club and worked diligently to make it Varsity status, all of the young men on his Team still call him “Coach”.

He leaves to cherish his memory; Cheryl his wife of 51 years, his son; Paul (& wife Liz Proctor Contento), daughter; Carrie (& husband Brendan Rew) and grandson; Dorian, sister; Elaine Contento; sister in laws; Judi Wilkins, Kathy Coggi and their families, along with many relatives and friends. Peter was predeceased by his parents; Rose and Victor Contento, infant son; Anthony, in laws; Benjamin and Josephine Robbins, and brother in laws; Thomas Wilkins and Gerald Coggi.

In keeping with his wishes there will be no formal funeral services. Peter requested his

family and friends gather one more time to eat and enjoy each others company. A celebration of his life will be planned for later this year. Contributions may be made to the charity of ones choice in Peters name.

Peter's family would like to thank the doctors who cared for him through this difficult time. Hospice of Central New York and The Finger Lakes Region provided compassionate care during the remaining days of his life.

“ Although I never had Pete as a teacher at Homer, he was an excellent neighbor and a very fine teacher within the Lake Como community. I first met him when he was working on the lacrosse program and he was so good at explaining the nuances of the sport to me. I moved away 40 years ago but came across Pete while hunting deer about 15 years ago. Our conversation in the woods was a pleasant one with Pete updating me on the local happenings since I had left. He was a good man and I'm sure his contributions to those he helped along the way will be long lasting and cherished.

“ I remember Mr Contento from high school. He was a great teacher and a great person too. He could tell days I felt defeated and he would tell me a story and that always brought a smile to my face. I am so sorry for your loss. Thinking of you during this difficult time.

“ Where to begin? Where to begin? Life was constantly was an adventure with my father as I type this. I look at my rack of tomahawks, and at the top sits the one he got me for Christmas. Tomahawk throwing was one of my many interests, along with football, wrestling, martial arts, and music. My father not only supported my interests, but he encouraged me to get involved. I will not only remember holidays, family trips, and vacations we spent together, but it's the more simple moments, like walking into the living room and just sitting down to talk and watch tv shows that were treasured. Even after I moved to Ithaca with the woman that would become my wife, if I couldn't stop over to visit, I made it a point to call every day to talk to him and Mom. When I got married, the choice for best man was simple- it was my father. Dad wasn't just a father, but a best friend too. Goodbye, Dad. I will miss you and never forget you.

“ Pete was not only a cousin, he was a friend, a mentor, a role model, a teacher. He had an aura of strength, compassion, and fun about him. He was talented and artistic. He made you feel heard and included. Pete was one of those exceptional people who appreciated life and nature and he lived his life to the fullest - with appreciation for all of the people, places, and things it it. Most of all, he was just a good, honest, hard-working man. Pete's love and energy will remain in our hearts and memories always, but his presence here with us all will be sorely missed. My love to the whole family. <3

I always enjoyed working with Pete, first as a Homer teacher,

and then as a college supervisor of student teachers.

My daughter, Julie, was in his World History class and learned so

much from him. Our fondest Homer memories include Pete. May

God bless him! Karen Foresti Hempson
