“ Paul - it has been years since we grew up as neighbors - my prayers and best wishes to you and your family during this sad time. I will always remember playing in the backyard with Carol and how your mom would come out and sit to watch all of us. Your mom was a wonderful woman and a great loss. She and my mom had a special friendship before mom passed and your mom took ill. They loved to shop together and go to lunch on Friday's for fish. She will always have a special place in my heart.

“ Paul, I have many wonderful memories of "Ruby". In 2012, Bill and I spent time with her and talked about the Family Tree. She was a great resource and I was able to put a lot of info in the Family Tree on the Petrella side! My condolences to you and your family. Love, Donna5nY
