“ Michele, Vickie, Tommy, and family It saddens me to hear of your mothers passing. Jeanette was always nice to me. I have fond memories of visiting Earl and Jeanette at Cortland Sheet Metal. They were always welcoming to myself and my family. In the recent passing of our father she welcomed me into her home and was so kind, even when she was not feeling well herself. I can see why she was so loved by her family. My prayers are with all of you and your families in this time of sorrow. Take comfort in all of the memories you hold in your hearts. Those you can call up at anytime in the future and she will be right there with her guiding words and love.
