“ Sheila Vormwald touched more lives than can be easily imagined. There is a well-known writing called, *Everything I Need to Know I Learned in Kindergarten*. She is the person who taught all of the invaluable information that little ones learn in kindergarten to several generations of children in our area. Those children have grown up and become kind, loving parents and responsible citizens because of the values Mrs. Vormwald instilled and the positive behaviors she encouraged in her classroom. I know this because I saw how she taught my son and his classmates in the late 1980's at St. Mary's School. I also had many of these youngsters in my eighth grade English classrooms in Homer and Cortland and have some of their children in my religious education classes at St. Anthony's Church today. Kindergarten is a big adjustment, not just for the children, but even more so for their parents. Mrs. Vormwald always made us feel reassured and comfortable about all the new milestones our children were experiencing. Her professional knowledge was incomparable, and her warm, motherly manner was just what little children needed to get them started on the long path of education. What I also want people to remember about Mrs. Vormwald is her personal dignity. She was a great lady in all situations in life. I am sure that God has already said to her, *Welcome, thou good and faithful servant!* God bless you, Mrs. Vormwald, and thank you for everything you did for my child and countless others. “ I had the honor of working with Sheila while I was the principal at St. Mary's in the late 1980's. It was my first principalship and I am forever grateful for the exceptional leadership, dedication, and commitment Sheila demonstrated each day for the school and her students. A truly gifted teacher and mom. Her memory lives on through the thousands of lives she shaped and molded through her teaching.

“ Words are not available to properly express the profound loss of my classmate and friend, Sheila. During our 13 years at SMS, Sheila was always a positive influence to anyone who had the good fortune to have her as an advocate!! On so many occasions Sheila opened her doors to welcome one and all to make everyone feel welcome. Many may have been her equal in the classroom, but no one did it better than Sheila. My friend will be forever missed !!!! May the peace of the Lord be with you Sheila.

“ We were so fortunate to have Mrs. V. as our daughter's teacher for three wonderful years in her Multi-age class. She had a way of making everyone she encountered feel welcome and at ease. It was because of Mrs. V. that our daughter became a teacher herself. She will be truly missed. Tim, Lou Anne & Steph Barrington

“ *Sheila was the first teacher our daughter Cat had at St. Mary's kindergarten. We are both forever grateful for the love and generosity that she gave. It was such a positive experience. I had occasion to observe Sheila in a classroom at Homer Elementary a few years ago. After almost 30 years, she was still sharing that generous spirit & love with those children. God Bless. My sincere condolences go out to her family on the passing of this beautiful woman.*
