“ My most deepest and sincere condolences to Sheryls brother Mark and my brother Bob Carter who loved her with all his heart. I know she is still with you as our spirit always lives on, death is only the next journey of our life, a new beginning. She would never leave either of you because you were the most important people in her life. We were blessed by her presence and we are thankful for her love of life itself.

“ Sheryl, we cant believe you are gone, you have been a member of our family for 25+ years. Our hearts are broken and will never be the same. You had a heart of gold, your love of all animals and for each of us. God has a special place in Heaven for you, until we meet again my sister in law. 💔🙏🙏🙏🙏🌹
