Susie loved her Lord and Savior Jesus Christ (Isaiah 26:19) and His creatures great and small, especially cats! She loved to sing and was a member of several church choirs over the years. Her family wishes to express gratitude to friends for cards and visits during her recent illness, her dear roommate Anna Christopher and also those in the medical profession at the Swing Unit at

Cortland Regional Medical Center and Hospice for their exceptional care. Donations can be made in Susie's name to the Cortland hospital or to the local chapter of NYC S.N.A.P. A memorial service will be held on Saturday at 3 PM May 19 at Faith Baptist Church, 1731 Route 13 North, Cortland,NY.

“*Susie was a gregarious person who loved getting together with friends and family. She loved cats and took care of them as members of her family. They brought her much joy. I hadn't seen her in several yeas but kept abreast of her life through her sister, Sandie, who is a dear friend of our family. She was a wonderful Christian and was able to give herself completely over to the Lord during her illnes, trusting completely in His will for her life. I am thankful for the wonderful care she received in the last few months of her life.*

*She will be sorely missed by many who knew and loved her. dBbdg*
