“ Vince, you offered so much advice.... So early in my life with your brother and tried to help me find my way. I will NEVER forget how kind you were, and how honest you were. May you enjoy your evening cocktails.....
You should also know that your curse for me came true. I did not have my first child... and she was a girl... and my only child.... until I turned 40, as you well know. Touche my friend. Your crazy wisdom will always be close to my heart. Godspeed my friend...
