“ *Bill - we are sorry to see you go so soon. I know your children were the light of your life, and no doubt, they thought the same of you.*

While you may be gone in body, your spirit will live on in each person whose lives you have touch.

May you rest in peace!

“ I am so sorry for your loss. My condolences to all of his family. I met Bill through working security Guard at the Smith corona building, we worked alot of shifts and i had the pleasure of talking with him. He sure loved his girl and his family. At the time he just had one little girl, who he would always talk about. I was just searching for some old friends on facebook and i learned of his passing. I am sorry for your loss and my prayers go out to all Bills Family.
